Our promise to you ...

- ★ Very little time and trouble for you and your family while installation is completed.
- ★ Customized and tailored just for you. Our product will work in your pool. Size, shape, or design are no obstacles.
- ★ Our membrane is produced with pure virgin resin, it is the healthiest material in the market, the only one with the certificate EN 71-3 (standard for chemicals used in the children toy industry).
- ★ Reinforced membrane exceeds the life of plaster and fiberglass pools.
- ★ Swim immediately. You don't need to wait up to 1 week before enjoying your pool as is the case with other resurfacing techniques.
- ★ A 15-years watertightness warranty on the material.
- ★ A smooth surface that is comfortable for swimmers. The durability of concrete or tiles without the skinned knees, arms or feet typical of swimming in a concrete tiled pool.
- ★ Material equipped with anti-microbial and anti-algae formulation.
- ★ Your installer has chosen the best product for you. Trust him. He will meet and exceed your expectations.

KNOW
US

ELBE Pool Surface® reinforced membranes are engineered and manufactured in a state-of-the-art facility in Dresden, Germany. Made in Germany by ELBTAL PLASTICS means premium quality, which is why we can proudly offer a 15-years watertightness warranty on the material.

We have produced more than 800 millions m² of flexible membrane since the year 1956, in the past decades our **ELBE Pool Surface®** material has been installed in small and luxurious properties and massive public aquatic facilities in more than 60 countries.

www.ELBEpools.com

ELBE Pool Surface® has an exclusive formulation elaborated in house with only pure resin:

longer life span

surface easier
to clean

excellent protection
against scratches

prevents the development
of bacteria and fungi
making the pool
more hygienic

best protection against
UV radiation, preventing
premature aging

the system allows
a quick installation*

*For instance, a 10m x 5m pool (32' x 16') the installation is usually performed in 4 days.
